

First Time Customer Log In

Your customer # can be found at the top of your Landus Cooperative statement, or call your local Landus Cooperative office. For first time users to reset your password, click on "Reset Password". Landus Cooperative will send you a new password.

Landus Cooperative Customer Log-In

Legacy West Central grain customers, please [click here](#) to access grain information.

Please enter your customer number and password to access the customer information area.

Customer #

Password

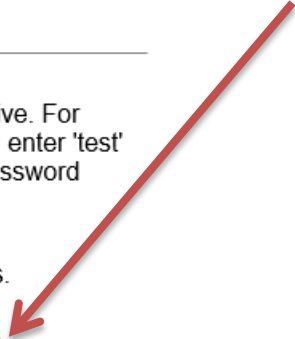

Login

Clear

Remember your password is case sensitive. For example: Your password is 'TEST'. If you enter 'test' your login will fail because the original password is all capital letters.

[Click here](#) for first time Login instructions.

Forget your password? [Reset Password](#)

Key in your customer # and click on Request Reset:

LANDUS
COOPERATIVE

Landus Cooperative Customer Password Reset Page

Please enter your customer number to begin the password reset process.

Customer #:

If you have never been setup with a password, you will be directed to send an email message to the Landus Cooperative IT Helpdesk:

LANDUS
COOPERATIVE

Landus Cooperative Customer Password Reset Page

No email address on file.
[Click here](#) to e-mail us and request that it be reset.

Give us your name, customer number and address and your password will be reset or call us at 800-642-6815.

They will be in contact to assist you with the login.

If you have been setup with a password and are requesting the reset and we do not have a valid email address on file, a screen will come up to enter your email address:
